TOUR THE ORCHID GARDEN, BUTTERFLY PARK AND BIRD PARK WITH NCR TRAVEL

Attractions

A sea of purple, yellow, red and even green petals velvety to the touch. The flash of orange dotted wings fluttering lightly on your arm. Peacocks walking around freely, stopping to gaze at you coquettishly before spreading their magnificent tails. A paradise with some of the most beautiful flora and fauna right in the heart of KL City.

Let NCR Travel bring you closer to nature with a trip to the Kuala Lumpur Orchid Garden, Kuala Lumpur Butterfly Park and Kuala Lumpur Bird Park.

Orchid Garden

With more than 800 species of orchids on display, the Orchid Garden is a popular site for orchid experts from around the world. On weekends, the Orchid Garden becomes a bazaar with numerous stalls set up selling orchids of all kinds – from live plants to cuttings. Each plant usually comes with expert advice on how to care for them. Bring home a blooming orchid as a living keepsake of your trip!

Butterfly Park

“Of all the butterfly parks in the world, none can compare to this one”
Discovery Channel on the Kuala Lumpur Butterfly Park

With more than 5,000 live butterflies in its 80,000 square feet of landscaped gardens, the Kuala Lumpur Butterfly Park is one of the largest in the world. Other attractions include the Japanese Koi fish, freshwater turtles, live insects and a museum with a collection of insects from around the world.

KL Bird Park

The world's largest free-flight walk-in aviary, the KL Bird Park spans 20.9 acres and is home to more than 3,000 birds from 200 species. The concept of free-flight provides visitors with an experience that closely resembles life in a tropical rainforest, while encouraging birds to breed, thus ensuring their survival and continuity.
